## TIPS FROM THE PROS:

### Fixing Ball Marks:

Do you want great greens? Everyone can help maintain the putting surfaces by fixing your ball marks. A ball mark that is properly fixed will heal in 24 hours. If left unattended it will take over two weeks to heal. Next time you are on the 3<sup>rd</sup> tee, read the pop-up message in your golf cart that explains how to properly fix a ball mark.

MGC Professional Staff
